Helping the **STORIES LIVE ON**

2008-2009 Sustaining Campaign

www.fontanalibrary.org

The moment the doors opened to the long awaited Lewis Library and Technology Center this past spring, our community was changed forever.

Thousands of our family members, friends, co-workers and neighbors have already been inspired, educated or entertained by the Library's nearly limitless materials and programs. And thousands more will walk through the doors tomorrow and in the years to come.

"I take my daughter to the new Library at least three times a week. I really think our time there is helping her grow in many different ways." – Michelle Torres, Fontana Resident.

As a committed member of our community and as a proponent of literacy and education, we urge you to contribute to the Fontana Library Foundation 2008-2009 Sustaining Campaign.

Your support will help to maintain the special materials and areas of the facility, thereby literally helping the STORIES LIVE ON.

As well, your generous donations will be used to bring new materials and programs to its patrons, and will ensure the STORIES of inspired, educated and entertained Library patrons LIVE ON for decades to come.

In addition to supporting the annual sustaining campaign, there are a number of other ways you can support the Lewis Library and Technology Center. For example, you can give to the future of the Library and your community by leaving a specific dollar amount or percentage of your assets to the Foundation through a bequest in your will or other planned gift. Or perhaps, you would prefer to make lifetime charitable gifts. To discuss these or other donor opportunities, please contact Kathleen Fariss, Director of Development, at 909-350-6586 or kfariss@fontana.org.

The mission of the Fontana Library Foundation is to:

- Raise awareness of the Lewis Library and Technology Center;
- Encourage use of the Library;
- Conduct annual sustaining campaigns to support the Library;
- Encourage the community to volunteer and support the annual sustaining campaigns;
- Establish endowment funds and other funding vehicles to support the Library;
- Encourage gifts of books, magazines, local historical items, and other library related materials; and,
- Receive, invest, and utilize funds and property acquired through loans and solicitations of contributions, donations, grants, gifts, bequests, and the like for the purposes for which the Library Division is formed.
